

PREPARING FOR COLLEGE

PLAN

Research colleges and visit campuses, keeping match and fit in mind. Check application requirements and deadlines. Make sure you know your Social Security number.

APPLY

Complete college admission applications by the first week of November, unless your colleges of interest have earlier priority deadlines. Check scholarship requirements and deadlines.

PAY

File the FAFSA by March 1st. Starting in 2016, students are able to submit a FAFSA as early as October 1st. Apply for scholarships by their required deadline.

DECIDE

Review your acceptance letters and decide where you want to go by May 1st, and pay your enrollment deposit. Find out when payment for tuition will be due, and attend orientation.
